## October 2021

September was a great month! The children had a great start to the new school year. I hope everyone enjoyed our Back to School Night presentation. We hope it was informative and helpful so we can have a successful school year.

This month we also had our fall pictures taken by Lifetouch, the children looked very nice. We will announce when we received the pictures and place them inside your child's file folder.

As the weather starts to cool down, the days are getting shorter, and the leaves turn colors. We are very excited to start the month of October. This month the children will be learning all about our continent, North America. They will be learning about the fall season and what comes with it. The children are very excited to learn about the festivities our country celebrates. Keep an eye out for our book fair, teachers will be making a Classroom wish list for any families who would like to donate books for their child's classroom.

As the weather continues to change please remember to check your child's cubbie to ensure your child has weather appropriate clothes.

**Let's have a great month!**

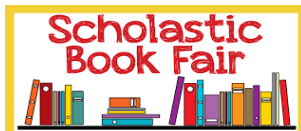

### Fire Prevention Week

**Oct. 4 - Oct. 8**

We will be reviewing with the children what to expect and how to protect themselves in case of a fire.

**We will be hosting  
our Fall Scholastic  
Book Fair :**

**10/25 - 10/29**

**Check out the  
teacher's book wish  
list!**

### **COSTUME PARADE**

**Friday 10/29**

**9:30 am - 10:30 am**

**More details to come as we get closer to the event. Please check our updates throughout the month.**
